CARDIOLOGY IN PRACTICE
2017 WHAT TO KNOW AND HOW TO APPLY KNOWLEDGE

PROGRAM
Welcome letter by the President of the Congress

No doubt cardiology is one of the fields in Medicine that has evolved more in the last decades. Continuous evolution of technology, new trials and research are rapidly appearing in Cardiology. The aim of this Meeting is to review, with a critical eye, what has recently appeared in Cardiology and also provide cutting edge information of the State of the Art.

Lectures combined with clinical case presentations will be the structure of the program. Top teachers, from relevant organizations will come to share their knowledge with all of us. Willing to interact with all of you in Madrid and hope this course will be beneficial for you and your patients.

European Accreditation
EBAC
An application has been made to the EBAC for CME accreditation of this event.

EACCME
The “Cardiology in Practice 2017. What to know and how to apply knowledge” is accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide the following CME activity for medical specialists. The EACCME is an institution of the European Union of Medical Specialists (UEMS), www.uems.net.

The “Cardiology in Practice 2017. What to know and how to apply knowledge” is designated for a maximum of 11 hours of European external CME credits. Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME credit to AMA credit can be found at www.ama-assn.org/go/internationalcme.
