# About us

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives.

Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges.

Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide.

We bring in eminent speakers with world-class expertise from various countries to enlighten our researchers and spark enthusiasm for research through our best conferences... [\(click here for more\)](#)

- Renowned speakers and scientists across the globe.
- Poster presentations and world class exhibits.
- Panel discussions and interactive sessions.
- B2B meetings.
- Perfect platform for Global Networking

# Conference and Webinar Details

## About Conference

With the great success rate of past two series of Heart Congress and with the guidance and the suggestions from our Honorable Speakers, we are stepping into our 3rd series of the conference entitled “**3<sup>rd</sup> International Conference on Heart and Cardiovascular Diseases**” scheduled on May 05-06, 2025 in Dubai, UAE.

Heart Congress 2025 welcomes all the eminent researchers and scholars around the globe to be part of the most awaited event of Heart conference with the theme “Novel Progression Towards the Heart and Cardiovascular Research”.

This Heart Conference 2025 will mark the presence of young and brilliant scholars, business delegates and talented Heart research societies representing many countries around the world.

We strongly believe that Heart Congress 2025 will be a huge success and exceed our expectations extremely. [\(click here for more\)](#)

## About Webinar

# Past Event Report

## About Past Event:

Scientex Conference successfully hosted its second series on the “2nd World Congress on Heart and Cardiovascular Disease” at Grand Mercure Bangkok Atrium, Bangkok, Thailand during May 09-10, 2024 and “2nd International Webinar on Heart and Cardiovascular Diseases” during May 16-17, 2024 in GMT+7 timing. The conference was organized with a theme of “Novel Progression Towards the Heart and Cardiovascular Research” and it was a great success where eminent keynote speakers from various universities addressed the gathering.

The generous response and active participation of the Organizing Committee Members played a major role in the success of Heart Congress 2024. On another hand, we take the opportunity to thank all the speakers, delegates and participants for providing their valuable support and time for the conference. ([click here for more](#))
